

MILWAUKEE ART MUSEUM

RENTAL AMENITIES & OPTIONS

The following is a summary of other amenities and options that are either included or available with your rental at the Milwaukee Art Museum.

MUSEUM ACCESS

Access to the Museum collections, as well as docent-guided tours, are available to your event. Contact your event coordinator for details.

BURKE BRISE SOLEIL

The Milwaukee Art Museum is Santiago Calatrava's first commission in the United States. The icon of our city and of the Museum itself is the Burke Brise Soleil: a 217-foot wingspan of movable steel.

Weather permitting, and included with your rental, the Burke Brise Soleil can be programmed to open or flap at a time of your choosing during your event. Contact your event coordinator for details.

PARKING

There are a total of 98 parking spaces available in the Museum's underground parking garage. Event parking is \$8 per car and can be paid either by the guest or by the host. We cannot guarantee that all spaces will be available. There is additional parking at the O'Donnell Parking Garage directly across from the Museum. There is also a lot adjacent to the north side of the Museum at the War Memorial. Both lots can be accessed from Lincoln Memorial Drive.

RENTAL EQUIPMENT

The Milwaukee Art Museum possesses an assortment of event equipment in areas as stanchions, staging, coat racks, and furniture such as chairs and various sizes of tables, etc...that are included in your rental. Some of the equipment does come at an extra cost. The equipment provided for an event is based on availability relative to other events held on the same day.

Note: we can also coordinate with outside vendors for equipment, A/V and décor needs.
